

Discover your Future!

learn more and play online at mashplus.com

How to play: fill in each of the categories below. Next, draw a spiral in the circle until a friend says “STOP”. Draw a line through and count how many times the line crosses the spiral rings. This is the *Magic Number*. Start at M and tap each letter and category item; when you reach the *Magic Number*, cross off the item. Keep going until you’re left with one letter and one item in each category. Use the results to tell your or your friend’s MASH story!
